The PROVINCE OF ILOCOS NORTE and the officers and members of the MARCOS COMBAT SHOOTERS, INC. cordially invites you to take part in the most highly-anticipated annual practical shooting competition – **THE PPSA NATIONALS 2008 -The Congressman Bongbong Marcos Cup** (Level III IPSC/PPSA Sanctioned Match) to be held on October 8-11, 2008 at MCS Firing Range Brgy. Suba in the historic town of Paoay, Ilocos Norte, Philippines.

Ilocos Norte is a choice destination of tourists. It is also the hub of practical shooting sport in Northern Luzon. A shoot fest becomes more festive when held in our province especially attended by shooters and non-shooters alike-- testament to our club's success as a host.

The Nationals held annually is the most important competition in the Philippine Practical Shooting Association (PPSA) calendar. It draws the most participants from all over the country including foreigners from Asia, Europe, and Americas. This year's Nationals will also serve as the Philippine Team's kickoff for World Shoot XV scheduled later in the month. We therefore expect a huge crowd and attendance.

All the details regarding the match (Courses of Fire, schedules, awards, and others), plus a little something that our modest province can offer can be found by logging on to [www.freewebs.com/ppsanationals08](http://www.freewebs.com/ppsanationals08)

Your participation will be greatly appreciated.

Much regards!
