# RELEASE AND WAIVER

## *Completion of the Release and Waiver is a Condition of Entry*

I am aware that participating in IPSC competition is a potentially dangerous undertaking and that I participate in that activity at my own risk. I acknowledge that the Competition organisers (which term includes all persons involved in the designing, constructing and administering the competition, host Club, its Committee, members, servants or agents) cannot control a range of matters that will create or vary risks to my health and safety. Such things include the weather, deterioration of range surfaces through use, personal attributes such as my fitness and level of expertise and my approach to the challenges presented in this competition.

I am also aware that it is a condition of my entry into this competition that I waive all rights I might otherwise hold against the Competition Organisers. I release the competition Organisers from all liability any of them might later have to me for or arising out of any injury to me caused in any way by my participation in the competition or by any other way whatsoever due to any negligent act, breach of duty, default and/or omission on the part of the competition Organisers.

I am also aware that any person participating in IPSC competition at this range is only allowed to do so on the distinct understanding that they do so at their own risk.

My signature below acknowledges that of my own free will and desire I have contracted with the Competition Organisers to participate in IPSC competition and that I have read and understood the warning, and the release from liability and waiver stated above, and agree to be bound by it as a condition of my entry into this competition.
