Hume Pistol Club President's Welcome

That two years went by rather quickly, so it's time to again say welcome to all the IPSC Shooters from around Australia who will be heading to the Hume Pistol Club in Albury to compete in the 2019 NSWAPA / IPSC Practical Pistol state Titles. I know that Doug Petts, Craig Elliott and the IPSC team have been hard at it designing stages that will test the best and challenge the rest, and I am sure with the experience that these guys have gained over designing as well as competing at other matches, all competitors will enjoy this one.

The catering staff will be on hand to make sure no one goes hungry, on Friday the 5th Lunch will be available, Saturday and Sunday Breakfast will be available from 6.45am, Lunch all day until late afternoon. Any competitor who has special needs as far as food is concerned if they bring it to the attention of the Kitchen staff as soon as they arrive, all efforts will be made to accommodate them, and we will of course have a limited supply of some gluten free products on hand.

The Hume Pistol Club grounds have been upgraded to accommodate people with disabilities, we have a Disability toilet available if required, we also have a shower for anyone who feels the need, these facilities are open around the clock. We have a limited area for Camper's and those Campers can utilise the power supply in the Tractor shed, it is very much a first in best dressed basis. Late comers will be accommodated but it may be just outside the club grounds, we will have two Club members helping everyone secure a safe parking position on Saturday and Sunday, your cooperation would be appreciated.

The Hume Pistol Club has a Policy that adult shooter's may enter the Club house with a holstered firearm, **But**, no magazines are allowed, and of course Juniors must observe the IPSC Rule concerning their use of holstered firearms, restricting them to the range area under supervision. Well that's me done, all that is left is to wish all competitors the very best. And Shoot well, shoot straight, and shoot Fast.

Regards to all
Dennis Eastman
President

Match Director's Welcome

Welcome to Hume Pistol Club for the 2019 NSWAPA/IPSCNSW Practical Pistol State Titles. I'd especially like to thank those that have made the effort to travel great distances to join us, it's fantastic that events such as these can bring competitors together from all over the country. I'd also like to acknowledge the usual group of tireless workers involved in putting these matches together. Without them these things wouldn't happen.

The behind the scenes work of IPSCNSW is also instrumental in getting these matches off the ground, leaving Hume free to concentrate on stage building and catering.

Our local council has also been very supportive of the match, spending considerable time clearing the crown land outside our grounds to use for car parking.

For those competitors making their first visit to the Albury Wodonga area, we hope you enjoy your stay and get a chance to look around the area while you're here.

Hume PC would like to wish everyone a safe and enjoyable match.

Match Director

IPSC Delegate.

Range Masters Welcome

A warm welcome to the 2018 NSW APA/IPSCNSW Practical Pistol State Titles!

I think everyone will agree that the stages and ranges you will compete on over the next two days are at a fantastic standard and I would like to thank Hume Pistol Club, its committee and members. Thanks too to the other IPSCNSW members who have also lent a hand in bringing this match to fruition. Without these people giving back to their sport we would not have this match.

Please remember that safety is absolutely paramount! Please read the Match Briefing section of the booklet to make yourself fully aware of the location of Safe Areas on the ranges.

If at any time you have any questions regarding the match, the club or its facilities please do not hesitate to ask, and I will do my best to answer your questions.

Enjoy your time at the Hume Pistol Club, shoot well, shoot straight and shoot safe!

All the very best of luck,

Jim Staader

IPSC NSW Section Co-Ordinator & Practical Pistol Director Welcome.

I would like to welcome Competitors from both NSW and Interstate on behalf of IPSC NSW and the NSW APA to the 2019 NSW APA-IPSC Practical Pistol State Titles.

This year the event is being hosted by Hume Pistol Club, in Albury NSW. Hume Pistol Club has successfully held the State Titles numerous times in the past and the members of Hume Pistol Club have again put a lot of effort into providing 12 fun and challenging stages for you to shoot.

NSW APA and IPSC NSW contribute to the cost of hosting this match, with the supply of Trophies, Medals, targets and patches. Their support for this match is greatly appreciated and I would personally like to thank both Associations for their continual support.

This is a Level 3 match and I do ask that all competitors help with patching and picking up brass, so everyone can have an enjoyable competition.

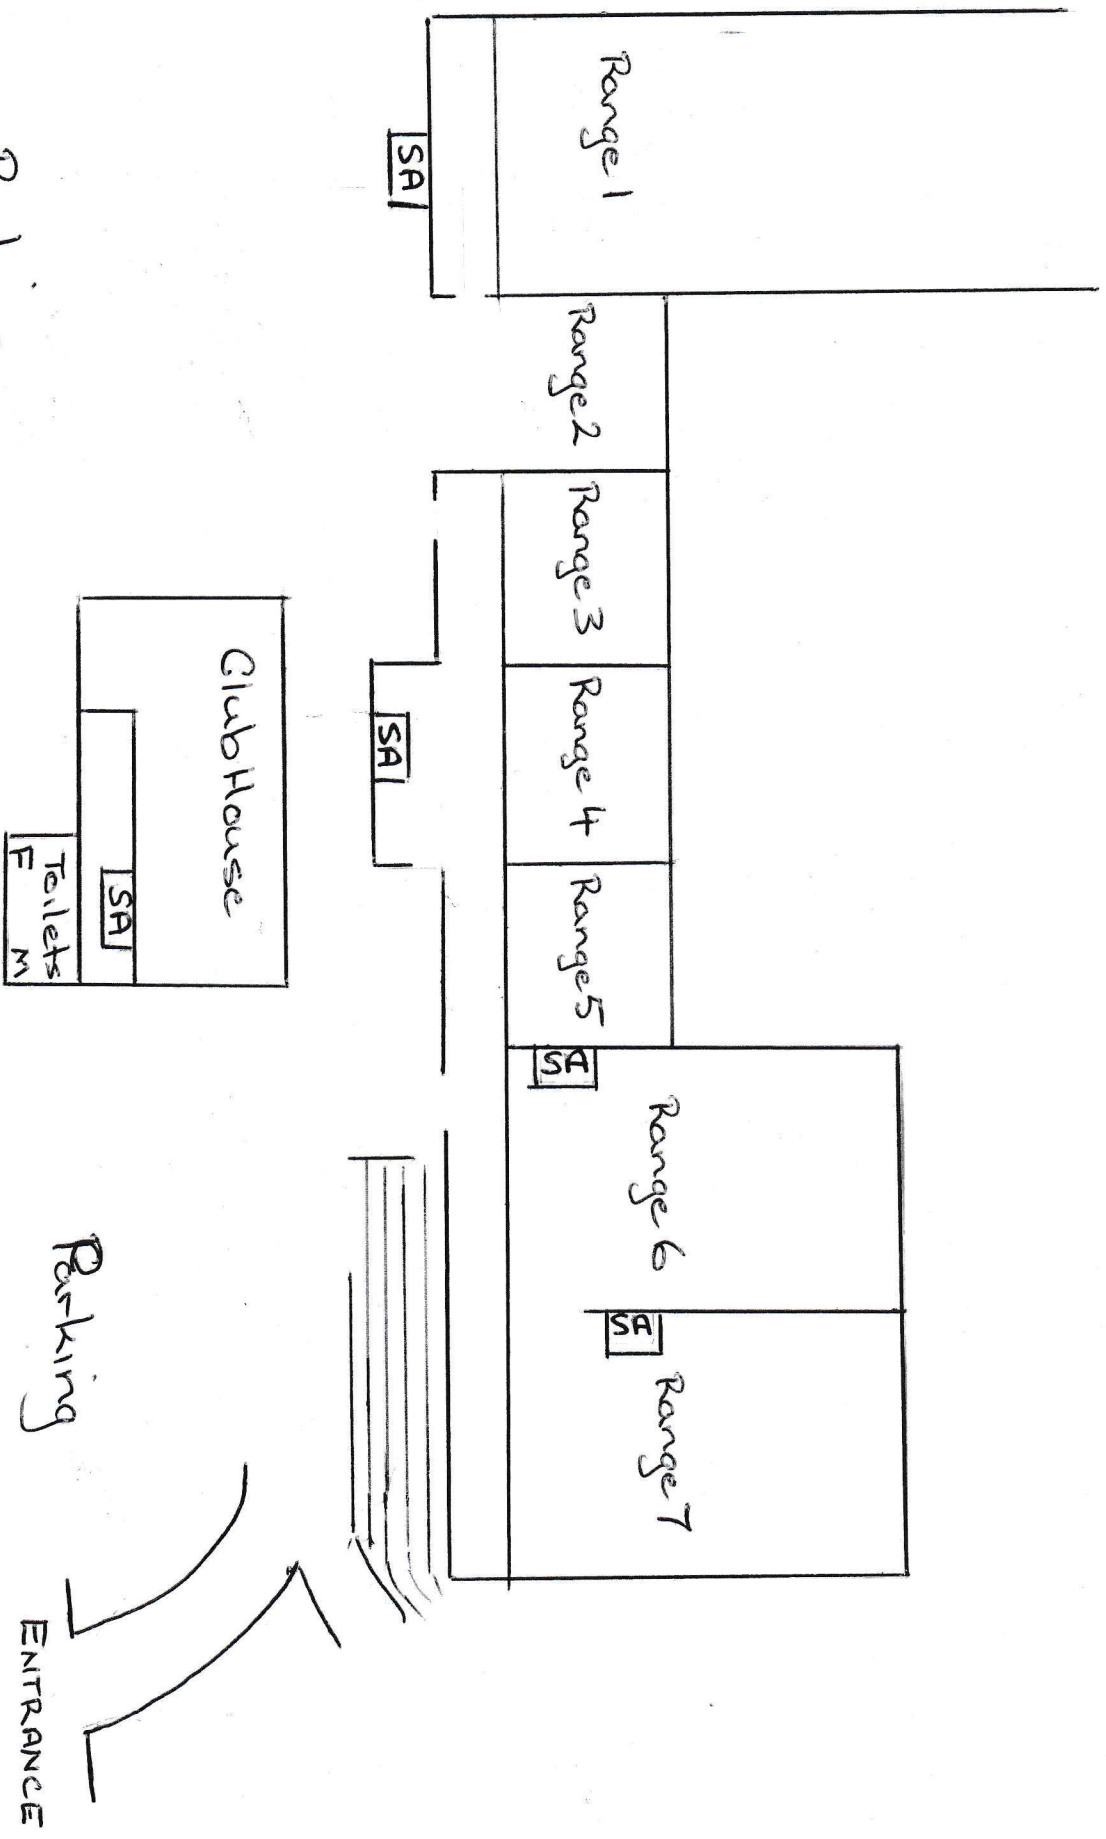

Shoot fast, shoot straight, shoot safely, and above all, enjoy the match.
