

Hi All IPSC NSW Members

IPSC NSW is now using the ECM system for match entries. ECM has been developed by IPSC for international use and will help clubs to run matches.

Please click on the link <https://ecm-aus.iroascoring.com/portal/login>

You will be taken to the ECM portal, where you will be required to sign-up if you have not previously done so.

Once you have signed-up, you can login to the portal and will see all the matches in Australia that are open for entries. Click on **Register** for the match you wish to enter.

Here, you will be able to enter all you details, including your Division, Category and Power Factor. It is not necessary to enter the details of your firearm.

Squadding will be done by the Match Director, so if you are sharing equipment, please note this in the comments section.

Following your registration for the match, you will receive an email confirming your registration, and providing you with a link for payment. RO's will be confirmed by a separate email. Juniors do not have to pay for entry and will be marked as paid by the Match Director.

Click on this link to arrange for payment. Once payment has been received and confirmed, you will receive another email confirming payment for the match. Payment can be made by Debit or Credit card through a secure site, Stripe.

If you have any questions, please do not hesitate to contact me on 0410620022, or email [nsw.sc@ipsc.org.au](mailto:nsw.sc@ipsc.org.au)

Many thanks
