

# Range Information & Club Rules

## Site Map

## Club Attendance

All competitors, spectators or guests shall record their attendance on arriving at the Club via the tablets in the Clubhouse.

## Parking and Security

Please ensure vehicles are locked. Firearms and ammunition left in the vehicle are locked and out of sight. Open firearms and ammunition are not to be handled in the car park (i.e. no working on firearms, loading of magazines, etc).

## Firearms

Holstered pistols and magazines can be worn while moving between ranges on the concrete footpaths.

**No holstered firearms or magazines are to be worn in the car park.**

**No holstered firearms are to be worn in the clubhouse.**

## **Ammunition**

Ammunition is not to be handled in the car park (i.e., no loading of magazines in the car park).

Full metal jacket ammunition is not permitted for use at the match.

Dud or faulty ammunition must be deposited in one of the provided receptacles or taken with your person. No ammunition is to be left on the ranges.

## **Eye and Hearing Protection**

Eye and hearing protection must be worn at all times on the ranges by all competitors, spectators and anyone walking onto the ranges.

## **Food**

A selection of food will be available from the club kitchen for the match. Only cash will be accepted.

## **Smoking**

Smoking is not permitted in the Clubhouse, Ranges, wooded areas or toilets. Smoking is permitted in the BBQ area. All smoking materials (butts, etc) are to be properly disposed of in the provided containers.

## **Photography**

Photography (video or still images) are not permitted at the Club.
