

Match Entry with ECM

(Electronic Club Management)

1. Go to the ECM website - <https://portal.iroascoring.com/portal>
2. Select the match you'd like to enter. Click the "Login to Register" button.
3. Enter your login and password details.

If you have not used ECM previously you'll need to use the "Sign Up" button and enter your info. Use of ECM is restricted to IPSC members so your application may take 2 – 3 days to be processed by the Regional Director.

Click on Login, then select the Signup button.

4. After logging in to your chosen match your Personal information will already be visible on the entry form. In Match information, select your Division, Category and Factor. Please leave Registration type as Competitor. Class does not need to be selected. Complete these areas and submit your entry.
5. You will then receive an email acknowledging your entry and providing you a link for payment of entry fee. Sample email -

Welcome to the XX IPSC Match. Your registration was received. Please follow the following link (xxxx) to make your payment. Once payment is made we will provide you a return email confirming your registration.

The payment system we use is not linked to the match registration system for security reasons. Please allow 3 days following your payment, so I can manually amend your registration in the match to having been paid.

6. Once payment has been processed you will receive an email confirming and you'll then be able to edit your registration in ECM to select your squad. Sample email -

Your payment for your entry to the XX IPSC match has been received.

Self-squadding is available for this match. Following payment, you will be able to self squad through ECM registration. Please allow 3 days following your payment, so I can manually amend your registration in the match to having been paid.

7. You can then log in to ECM and select your squad. If you don't select a squad, the Match Director will allocate you to a squad.
8. Enjoy your Match!
