

Sydney Pistol Club Match Extended

Due to overwhelming demand, Sydney Pistol Club is extending their one-day match in June.

To allow more IPSC members to participate the match will now be extended over two days – Saturday 22 June and Sunday 23 June.

You can enter the match, or edit your existing entry, in ECM now. You can choose your squad for either Saturday or Sunday, but not both. Each IPSC competitor can only shoot one division, on one day.

Due to range size restrictions the match is still limited to 80 competitors on each day and the extra day is to allow more IPSC members to compete.

If you have any questions, please email – nsw.sc@ipsc.org.au
